

FASS 2011 Props Scavenger Hunt!

Each item below is worth one point. Unless otherwise stated, we only need one of each item, so you may only score one point per item. If you are the only person to bring in a given item, you will get a +1 bonus for that item. Some items have other conditions for a bonus point.

Items should only be given to Heather (the Tech Director) or Simon (the Assistant Tech Director), who will be at every rehearsal the first week, except Tuesday, as well as in the shop during the weekend. For larger items, email arrangements can be made (td@fass.uwaterloo.ca). The deadline for the contest is **noon** on Saturday the 15th. Winners will receive their fabulous prizes at Talent Optional Night that evening.

Items will be returned after the last show, and we will not modify them without your permission, but they will be well-used during the run of the show.

We expect you to **NOT** spend money on this, we have our own (admittedly small) budget for that. This is supposed to be a fun contest where we discover all of the strange things that FASSies have lying around. Good Luck!
