About FASS

The FASS Theatre Company is serious about having fun - we're a live cartoon on stage! We've been entertaining UW with musical comedy since 1962. While the most fun occurs in January when over 100 cast and crew rehearse and prepare the show just in time for February, you can join us at other times to get involved.

Applications for the positions of Director, Technical Director, Chief Script Writer, Producer, and Treasurer are due in late February. To get more information on becoming a part of the show, check out our website at <http://www.fass.uwaterloo.ca> and be sure to attend our Annual General Meeting in March. For more information, contact us by email at info@fass.uwaterloo.ca.

SELECTING YOUR CHARACTER

The President: Lukas Matthews

Shows don't fall into place overnight. The process follows something along the lines of a Tetris game, fitting intriguingly-shaped blocks carefully together over time. All that hard work and planning culminates in the wonderful moment when four lines disappear, completed by a final block. FASS 2010 has certainly been in the works for a while - writers scribbled away from April to December, Committee planned budgets and prepared for the show, and the production cycle itself began only four weeks ago, with techies, producers, actors, directors, SMs, ASMs, TDs, choreographers, music directors, rehearsals, musicians, props, sets, lines, costumes, songs, and much more! Given all the hard work, love, and dedication I've seen from fellow FASSies in these past ten months, I am thrilled to see this all slot together, and I thank everyone so very much who has been involved, at every level and every stage of the production. Lastly, but not 'leastly,' I turn to you, o audience, as you are that final Tetris block - without you, we, the company, put on a show to an empty house. So our heartiest (♥♥♥) thanks for coming out to see us, whether this is your first FASS (and you don't know what to expect) or your fifth (and you do) or your nearly-fiftieth (and you're still ready to be surprised). So sit back, relax, and just let the game begin!

The Director: Amos Boratto

This has been an experience. An epic one. At least 3000 XP. I had this great idea about a year ago that I wanted to direct FASS for 2010. About 7 months ago it suddenly became reality. I thought I had a good idea what it would be like given that I had directed other shows before. I was wrong. It was very different. I was given the chance to get to know more than 70 people both as individuals and as actors. Seeing them grow and become the characters on the stage was, I realized, the real reward of this job. Some of you are returning to FASS as former cast, crew and audience members. To you I say welcome back and enjoy the show and the odd inside joke. For those of you new to FASS and are here to find out what your family and friends have gotten themselves into, I thank you for coming. Hope to see you here in future years. Finally, a huge thank you to my Stage Manager, Trish, and her ASM's Khary, Fran and To. Also to my Assistant Director Stephen Snuggles Skrzydlo, a very big thank you. So without further ado FASS 2010: Final FASSity MMX.
